

MEMORANDUM

State of Alaska

DEPARTMENT OF NATURAL RESOURCES - DIVISION OF AGRICULTURE

TO:

DATE: October 8, 1982

Jack Sedwick, Director

FILE NO:

Division of Lands

TELEPHONE NO: 376-3276

FROM: Nick Carney, Director

SUBJECT: Iditarod Trail and
Fish Creek

Per meeting on October 8, 1982, attended by Bill Betlach, SCDO, Ron Crenshaw, Parks, Deb Robertson, Ag, Dean Brown, Ag and myself, the Division of Agriculture concurs with a 400 ft state retained corridor for the preservation of the Iditarod Trail as stated in the Fish Creek Management Plan.

We strongly suggest that the survey be designed to reduce as much as possible the downstream survey costs for the ag disposal.
