MANAGEMENT RATING CRITERIA

ACCESS ----- 40 POINTS

- 5 Difficult
(Dog Sled, Snow Mach., Heli.)
20 Medium
(1 Day Hike, Boat, Fixed-Wing)
40 High
(Auto/Road, Short Hike)

CONDITION ----- 40 POINTS

- Not Located
1 No Remains
3 Ruin
8 Poor (Roof In)
15 Medium (Roof Intact)
25 Good (Maintained)
40 Restored

PRESENT VISITOR USE

- Frequent
 Infrequent
 None

POTENTIAL VISITOR USE--20 POINTS

- 20 High
10 Medium
5 Low

Total Points 38

STATEMENT OF SIGNIFICANCE: See memo dated 1/13/64, a California Historic Landmark No. 706. Lower end of the site is partially on the National Park reservation with change of ownership in 1966. The site is located in the Central Valley in the mountains of the Sierra Nevada. The site is a small, rectangular, stone structure, approximately 10 feet by 10 feet. It is situated on a hillside overlooking a valley. The site is believed to be a military installation. The site is located on the boundary between the National Park reservation and the Sierra Nevada. The site is a small, rectangular, stone structure, approximately 10 feet by 10 feet. It is situated on a hillside overlooking a valley. The site is believed to be a military installation. The site is located on the boundary between the National Park reservation and the Sierra Nevada. The site is a small, rectangular, stone structure, approximately 10 feet by 10 feet. It is situated on a hillside overlooking a valley. The site is believed to be a military installation.
