

Prepared by the Army Map Service (NSTT), Corps of Engineers, U. S. Army, Washington, D. C. Compiled in 1956 from Alaska, 1:250,000, AMS, 1951-53; Alaska Reconnaissance Topographic Series, 1:250,000, USGS, Iliamna, Afognak, Kodiak, 1952; USCGS Chart 8502, 1944. Names for symbolized populated places are omitted where information is not available or where density of detail does not permit their inclusion.

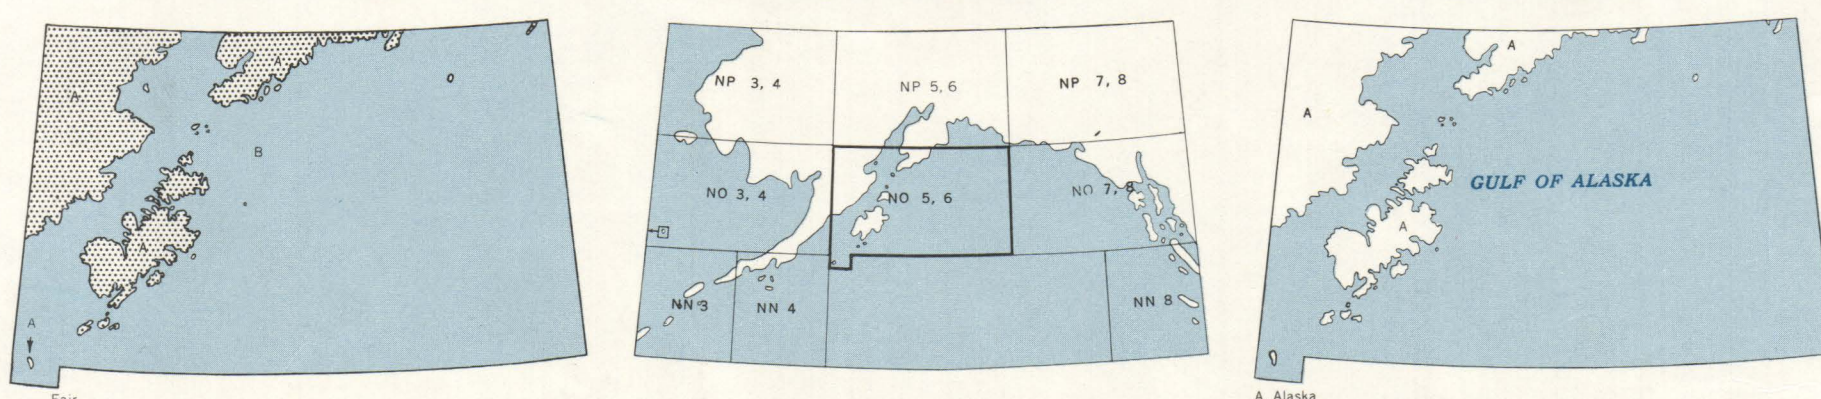

This map follows the sheet lines and numbering system of the International Map of the World, but does not conform to the specifications for that series in all respects.
