SUBJ: Restoration Meeting
October 26, 1990

I am recommending you for participation in a fisheries restoration planning meeting scheduled by the Restoration Planning Group. Please discuss participation with your supervisor, if appropriate, and let me know if you can attend. The meeting is supposed to be kept small to maximize productivity. Objectives of the meeting are to identify:

Restoration feasibility studies to be conducted in 1991

Actual restoration projects to be conducted in 1991

The meeting will convene at CACI (Simpson Building) Friday at 8:30 am, October 26, 1990, and may last the full day.

Distribution:

- J. Hartman, FRED
- D. McBride, Sport Fish
- D. Eggers, Comm Fish
- J. Fall, Subsistence

SUBJECT: NOAA Attendees of Meetings to Select 1991
 Restoration-Feasibility and Restoration
 Projects

The following NOAA scientists should be invited to the subject meetings in Anchorage. I will represent those who cannot attend. Each candidate attendee has been notified of RPWG's intent to hold these meetings and of a requirement to submit, before the meeting date, an abstract of any proposed restoration-feasibility or restoration project concept they would want considered.
