

RRCG Meeting
January 10, 1992
8:30 A.M.

Attendees:

Ken Rice
Byron Morris
Tim Steele
Joe Sullivan
Carol Gorbics
Cordell Roy
Sandy Rabinowitch
Marty Rutherford
Art Weiner
Mark Brodersen
Dave Gibbons
Barbara Iseah

RRCG Agenda:

1. Public Participation Sub-group Material

The group will review the revised version of Jerome Montague's Proposed Oil Year 4 Damage Assessment and Restoration Work Plan.

2. Bullets Concerning Simpson Building

For:

- A. Centralized Staff Focal Point for Sub-group
- B. Dispersed Method Inefficient (RPWG)
- C. Administrative Director/Support Staff
- D. Centralized Working Record
 - Reports (NRDA/Restoration/Response)
 - Administrative Record
- E. Public Access to Process
- F. Financial Control (teleconference, phones, meeting room, etc.)

Against:

- 1. Already have support staff (already busy)
- 2. Minimal workload (million dollar programs, public involvement)

Public/Staff Resource Center Replacing OSPIC

- 1. What is proposed is not OSPIC. So what is proposed?

Previous: Library

Proposal: Reduce scope and target on:

- A. Restoration Implementation
- B. Public Access/Distribution
- C. Administrative Record/Document Center
- D. Staff: currently - 6
propose - under administrative director

The current staffing approach is minimal; however, in the future additional staff may be hired or requested from other agencies.

A smaller group met and the RRCG meeting was adjourned.
