Educational Science Kits

The following items are made available by the Alaska Department of Fish and Game, Division of Wildlife Conservation, and the U.S. Fish & Wildlife Service. Items may be checked out from ARLIS for a 2-week period. Materials may be renewed once. *Materials are available on a first-come/first-served basis; please check the catalog for availability.* Contents vary; kits may include activities, books, posters, videos, etc. Photographs of each kit's contents are included at the end of this list.

Birds Search the catalog by the name of the kit for availability.
