

INTRODUCTION

Appendices to the Beaufort Sea Oil and Gas Development/Northstar Project Environmental Impact Statement (EIS) consist of Appendices A through P. In order to allow the reader of both the Draft EIS (DEIS) and Final EIS (FEIS) to quickly use the appendices, we have continued the lettering of the appendices where we left off in the DEIS. The last appendix in the DEIS was Appendix J. The first new appendix to the FEIS is Appendix K. The last appendix to the FEIS is Appendix P. Appendices A, C, D, and E of the DEIS are printed in this FEIS because they have been revised since their publication in the DEIS. Those appendices that were not modified between the DEIS and FEIS (Appendices B, F, G, H, I, and J) are not re-published in this FEIS. These include the Biological Assessment (Appendix B), a draft version of the National Pollutant Discharge Elimination System (NPDES) permit (Appendix F), NPDES Fact Sheet (Appendix G), the Ocean Discharge Criteria Evaluation (Appendix H), the Section 103 Evaluation (Appendix I), and the draft version of the Underground Injection Control permit (Appendix J).
